TROOP 1 NORTHBORO

Troop 1 Webelo Welcome October 24, 2020

This year's event to meet our Troop will take a different form to allow us all to have a great event, while still being very safe and meeting all the guidance given by Mayflower Council and our State. Troop 1 is planning diligently for a safe event. But we still have a fun day planned and look forward to meeting the Webelos.

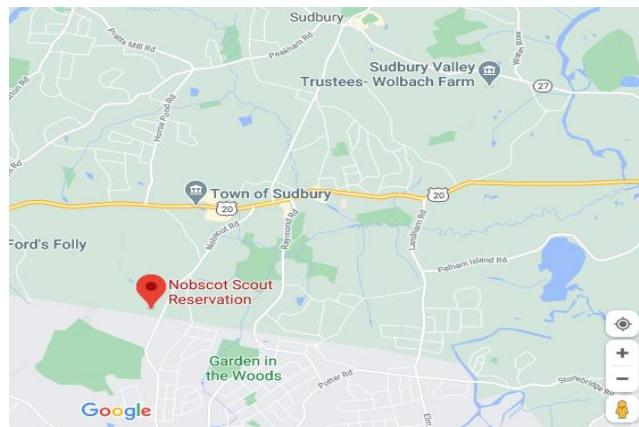

Northboro Webelos are invited to join us beginning at noon Saturday Oct 24th, at the Nobscot Scout Reservation. We will have Webelo activities like hiking and Scout Skills, and a fun game to play. While we would love to serve our traditional big Turkey Dinner, Covid restrictions on food means we will only be able to provide individual packaged snacks and water. Please have lunch before arriving.

Also due to restrictions and caution, group sizes will be limited. Because of this, we regret not being able to invite Scout siblings of the Webelo. One parent of each Webelo is invited and we would be delighted for you to attend. We have activities and information events prepared for the parents.

Overnight camping at Nobscot is available. Many Scouting groups have been anxious to get outside and this is a great opportunity! A parent is required to attend for each Webelo camping. You can sign up for this when registering. Troop 1 can help with gear and knowhow if needed. All camping overnight will be under the supervision and responsibility of the Webelo Den.

Registration is required for all Webelo Scout participants at;
www.troop1northboro.org
More event details are available when you register.

Location: 1 Nobscot Road, Sudbury, MA

questions about the trip can be directed to
Jay Jorgensen (774-258-8259) or Craig Cox (774-267-9279)
