SOME KEY BSA AND TROOP 1 CAMPING RULES

POCKET KNIVES – Pocket knives are a part of scouting and an important tool for use in the outdoors. It is very important that scouts be taught to use and handle them safely and properly. The privilege of using a pocket knife will be taken away from any scout who misuses or mishandles the pocket knife per the discretion of troop leader(s).

ALCOHOL, DRUGS, AND OTHER PROHIBITED MATERIALS AND ACTIVITIES – National Boy Scout policy prohibits the possession of, or use of, intoxicating beverages in any form, or any controlled substance, including, but not limited to, marijuana, cocaine, beer, wine, or hard liquors by either scouts or parents during scout functions. Fireworks and explosives are strictly prohibited for safety sake. Pornographic materials or the use of obscene language is inappropriate and not permitted.

CONSERVATION – We take care of the outdoors. We do not cut any living tree, shrub, or bush. Leave no trace.

INITIATIONS, HAZING, NAME CALLING & FIGHTING – These do not belong in scouting! Under BSA policy, these situations are regarded as child abuse or inappropriate behavior, and will not be tolerated.

SMOKING – Cigarettes, cigars or the use of any tobacco products by scouts is prohibited. Adults must smoke away from scouts and non-smoking adults. Smoking is prohibited in tents, cabins or in any scout building.
