TROOP 1 NORTHBORO

Troop 1 Webelo Welcome October 30, 2021

Troop One is pleased to announce a return to our more usual annual social event, while still being very safe and meeting all the guidance given by Mayflower Council and our State. Troop 1 has a fun day planned and look forward to meeting the Webelo.

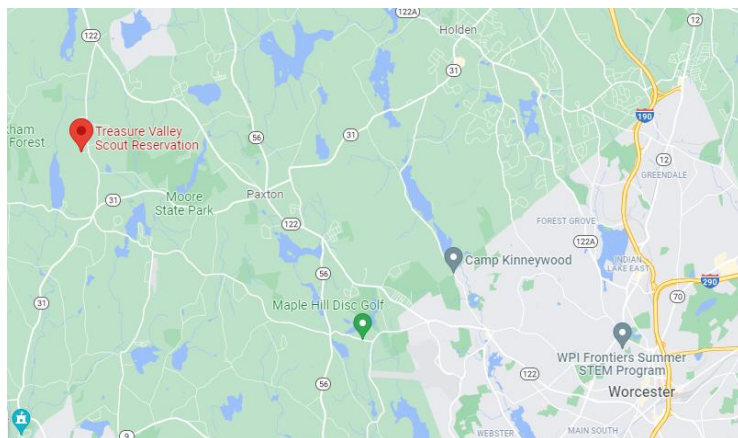

Northboro Webelo and a Parent are invited to join us beginning Saturday Oct 30th, at the Treasure Valley Scout Reservation, West Lodge starting at 10am. We will have Webelo activities like hiking and Scout Skills, and some fun games to play. Lunch and Dinner for Webelo and their Parent will be provided Saturday.

Most all activities will be outdoors, and we will follow all Covid guidelines and precautions at the time of the event. All Webelo II and I are welcome. We have activities and information events prepared for the parents as well. Please contact event coordinators listed below if additional family members wish to attend.

Overnight camping Saturday night at Treasure Valley is available. Many Scouting groups have been anxious to get outside and this is a great opportunity! A parent is required to attend for each Webelo camping. You can sign up for this when registering. Troop 1 can help with gear and knowhow if needed. Limited indoor facilities in the Lodge are available in the event of weather or need.

Registration is required for all Webelo Scout participants at; www.troop1northboro.org
More event details are sent to you when you register.
